

# Reach Customers Online With Google

# Agenda

## **Reach local customers with Google My Business**

Create a free Business Profile on Google.

## **Reach everyone, on all devices**

Optimize your website for search and mobile.

## **Reach customers with online advertising**

Advertise your business on Google

Reach local customers  
with Google My Business

# Connect with customers in moments that matter

87%

of smartphone owners turn to  
search first in a moment of need. <sup>1</sup>

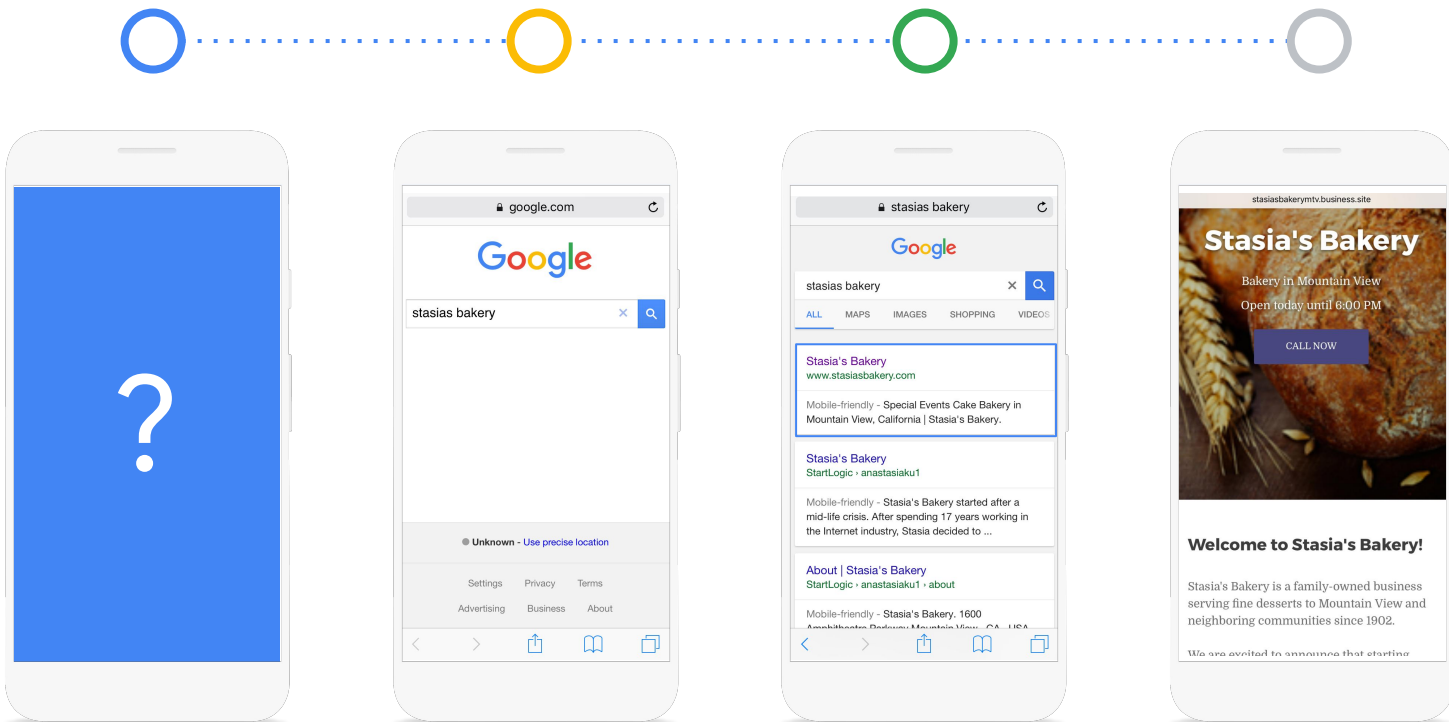

30%

of all mobile searches are related to  
location. <sup>2</sup>

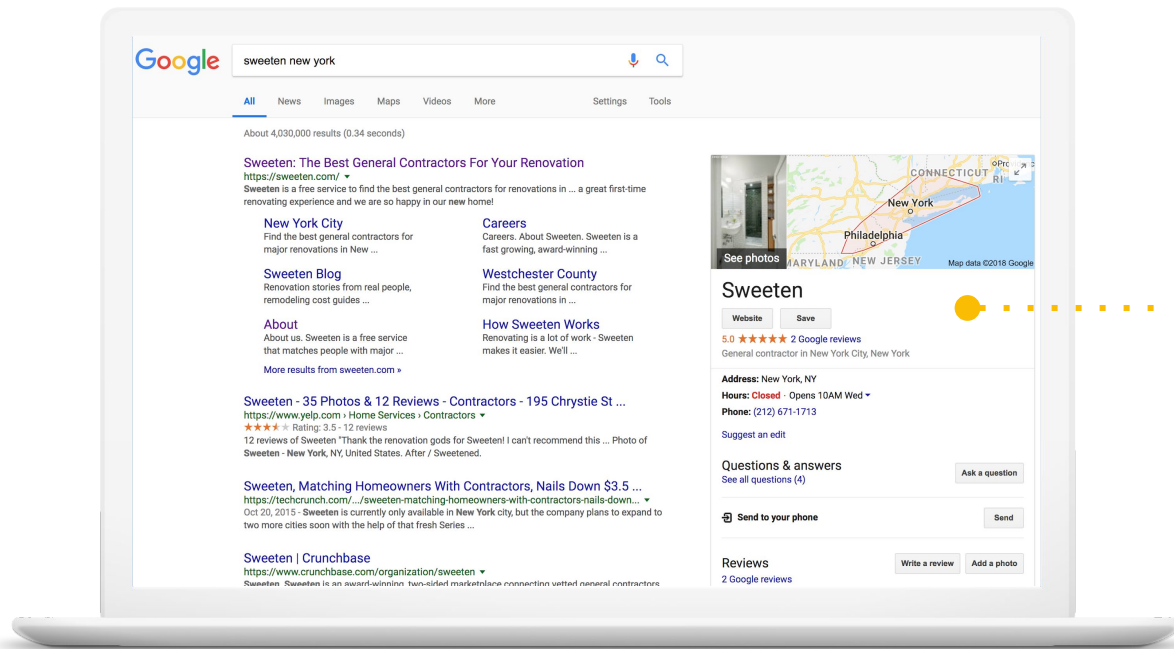

Source: <sup>1</sup> Google/Purchased, U.S., "Digital Diary: How Consumers Solve Their Needs in the Moment," n=1,000 U.S. smartphone users 18+, responses=14,840, needs=10,540; May 2016. <sup>2</sup> Google internal data, Jan 2017.

# “Near me” searches = Near you opportunities

# Google My Business

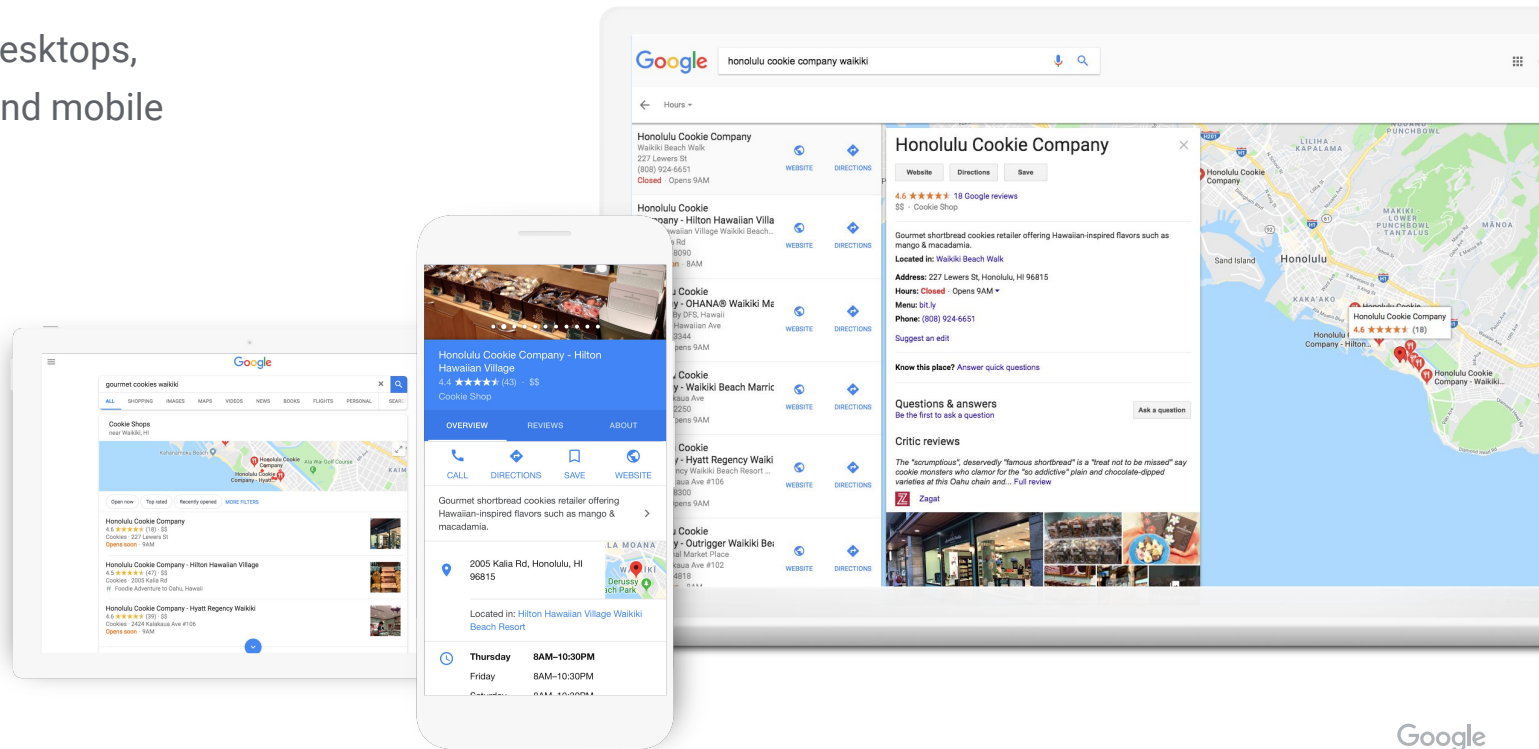

This is a  
Business Profile.

Reviews

# Reach more customers with Google My Business

“For us, it comes down to being searchable, sharing reviews that reflect who we really are, and providing clear directions to our location—those are what bring people through the front door.”

— Honest Soul Yoga | Alexandria, VA

Reach everyone,  
on all devices

# Before you begin, make a plan

Why do you want a website?

How will you reach them?

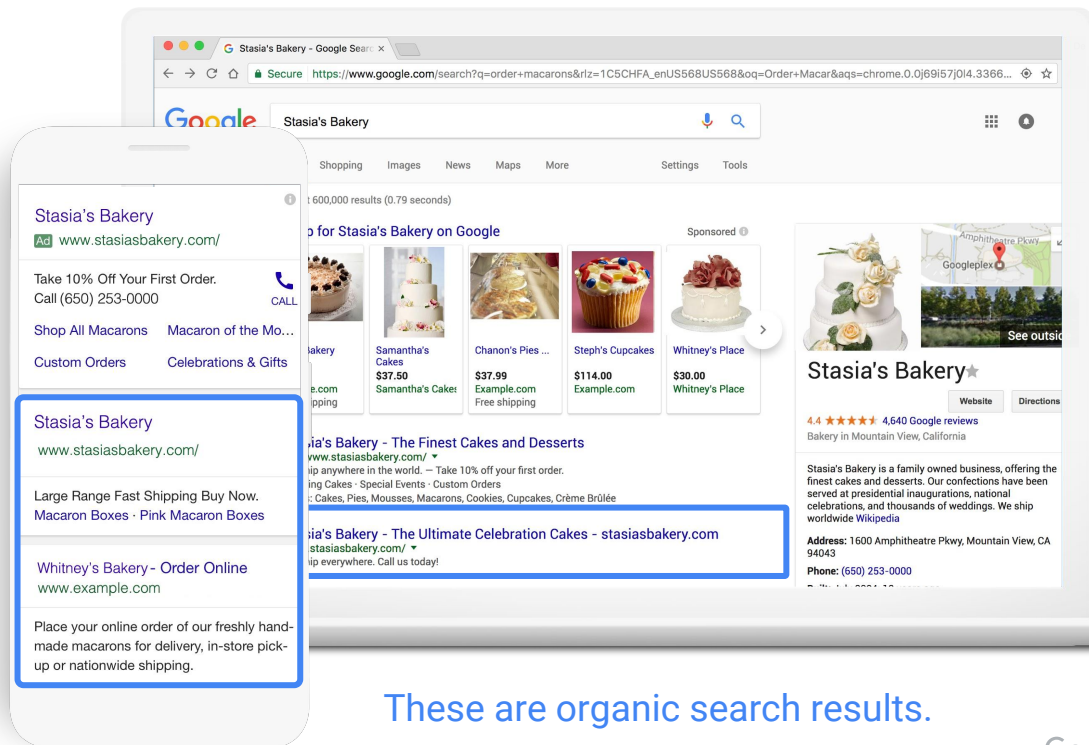

Who is your ideal audience?

How will you measure success?

# Search engine optimization

- Organization matters
- Useful, original content
- Text links
- Good page titles and descriptions
- Fast load time
- Optimize images

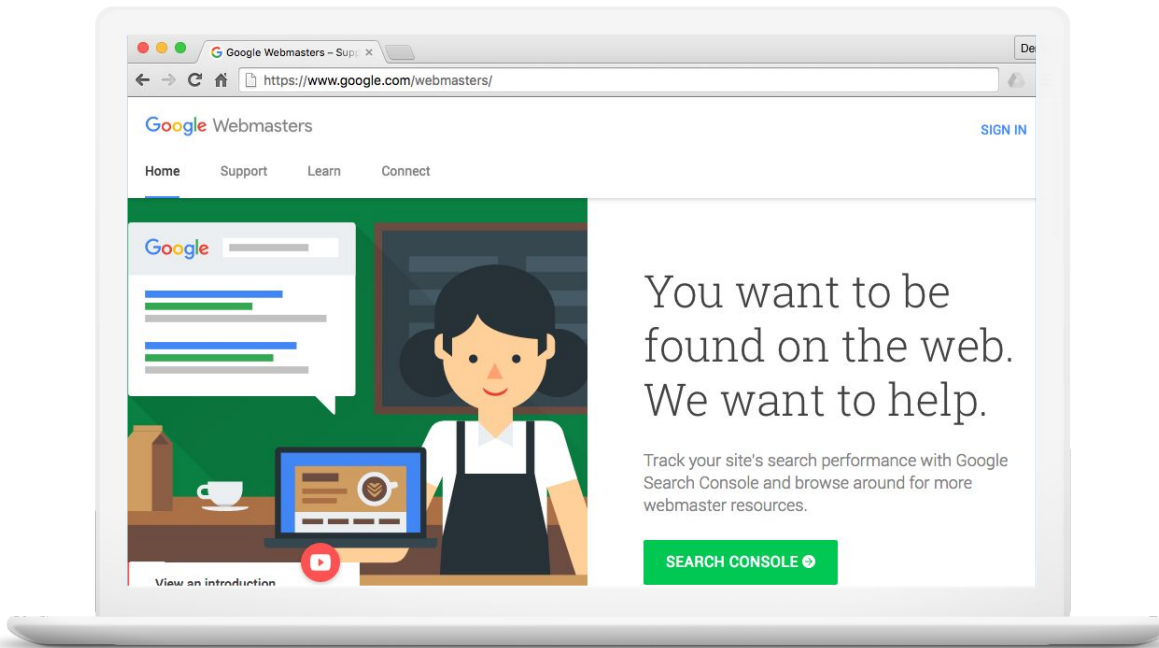

These are organic search results.

# Google Search Console

Get data, tools, and  
diagnostics for a healthy,  
Google-friendly website.

[google.com/webmasters](https://google.com/webmasters)

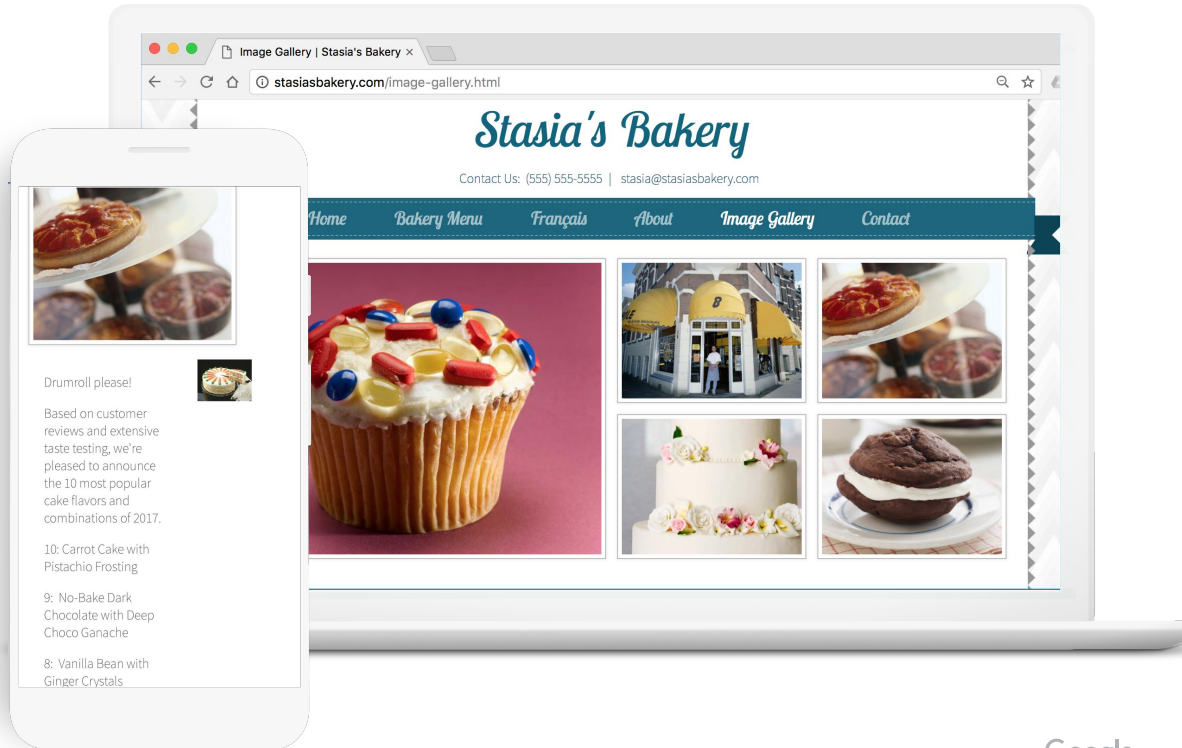

# Content marketing

Try different formats, like text and video.

Try different types of content, like:

- “How to” articles
- “Top 10” lists
- Educational material

Latest research and trends.

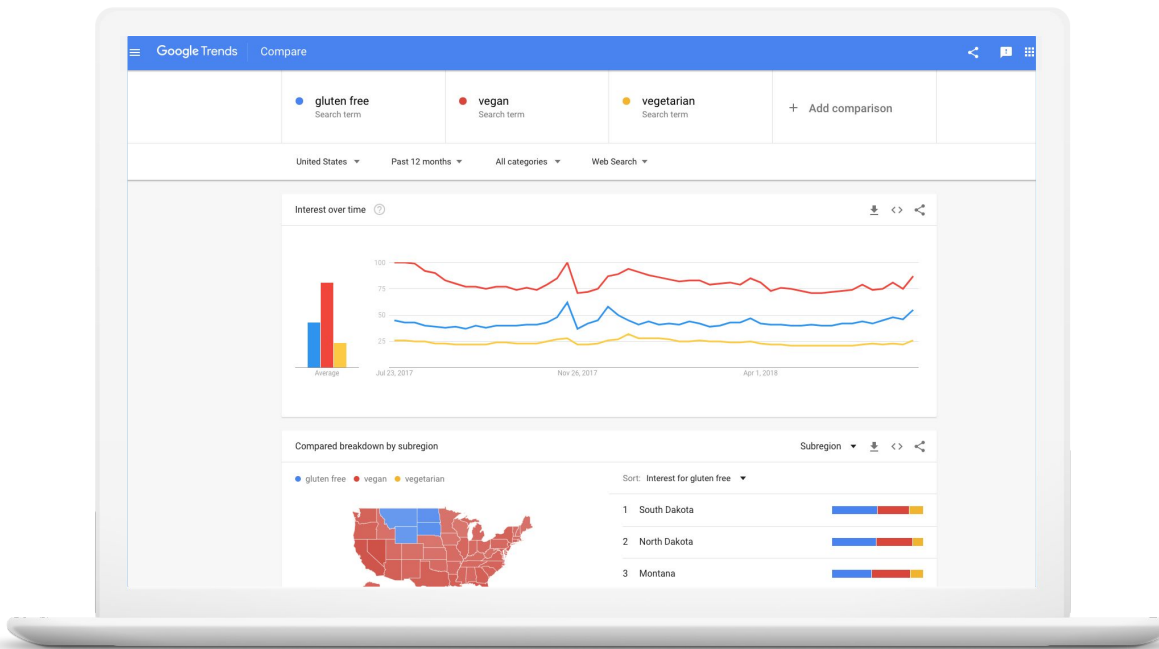

# Google Trends

Find quick and useful insights on what people are searching for.

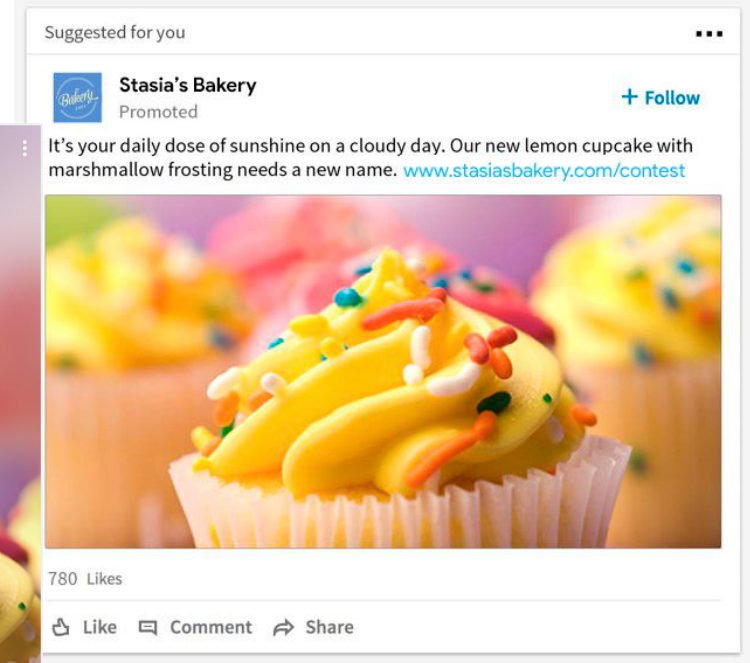

[google.com/trends](https://google.com/trends)

# Social media marketing

Content should be:

- Entertaining & engaging
- Useful & actionable
- Visually appealing
- Intentional

# Email marketing

Great emails have:

- Clear subject lines
- A call to action
- Great mobile design
- Content personalized for recipients
- Correct spelling and grammar

# Don't forget mobile

Focus on nav & homepage

Make it easy to fill out forms

Make it easy to search the site

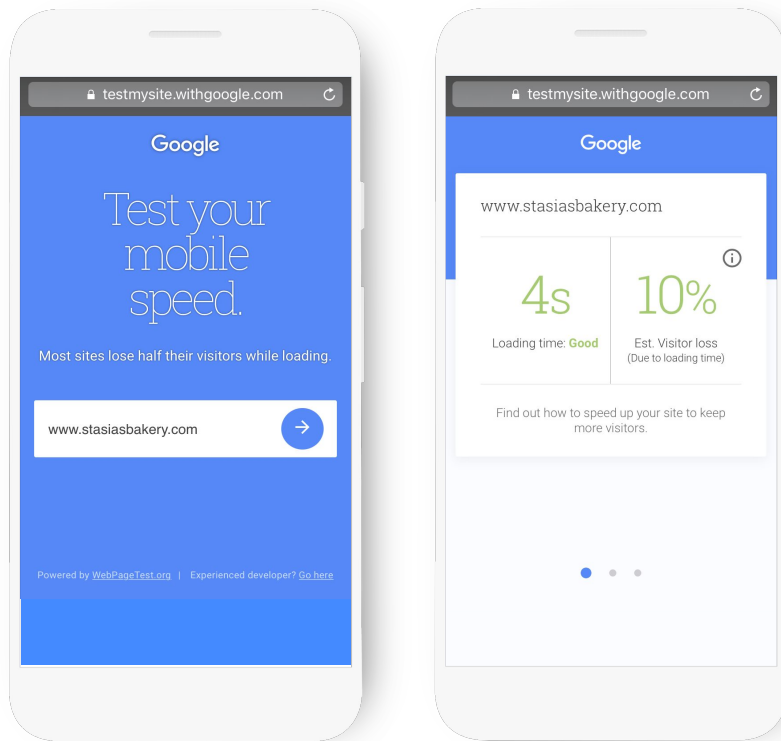

Optimize for usability

Make it easy to complete tasks

# Test your website speed

# Reach more customers with social media

"Through generating a following on social media and traffic on the blog, I'm able to make a living"

— My Name is Yeh | East Grand Forks, MN

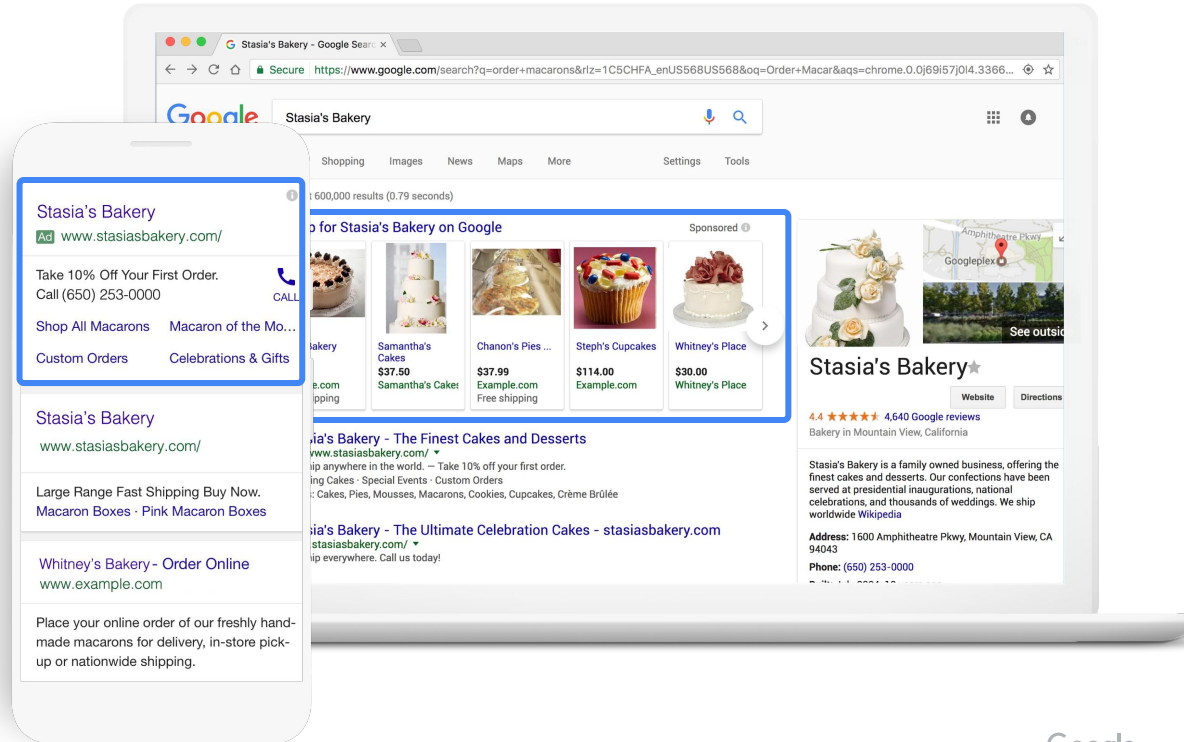

# Reach customers with online advertising

# Ads appear on Google

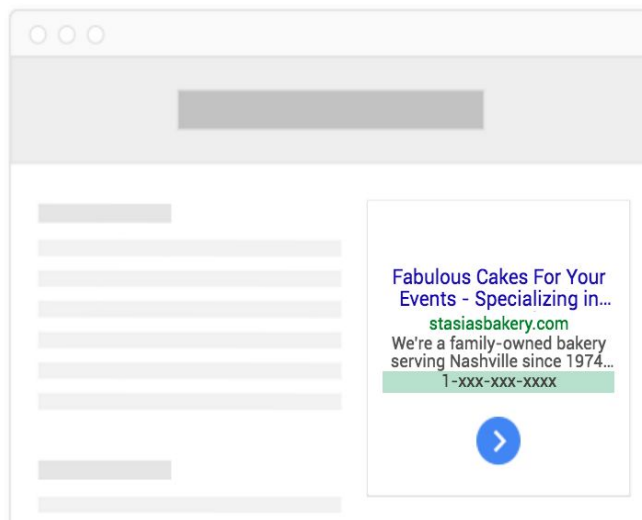

These are ads.

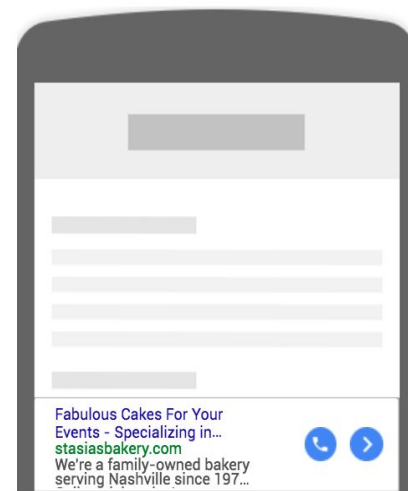

## ...and partner websites

Ads can help reach the right customers.

Ad on desktop sites

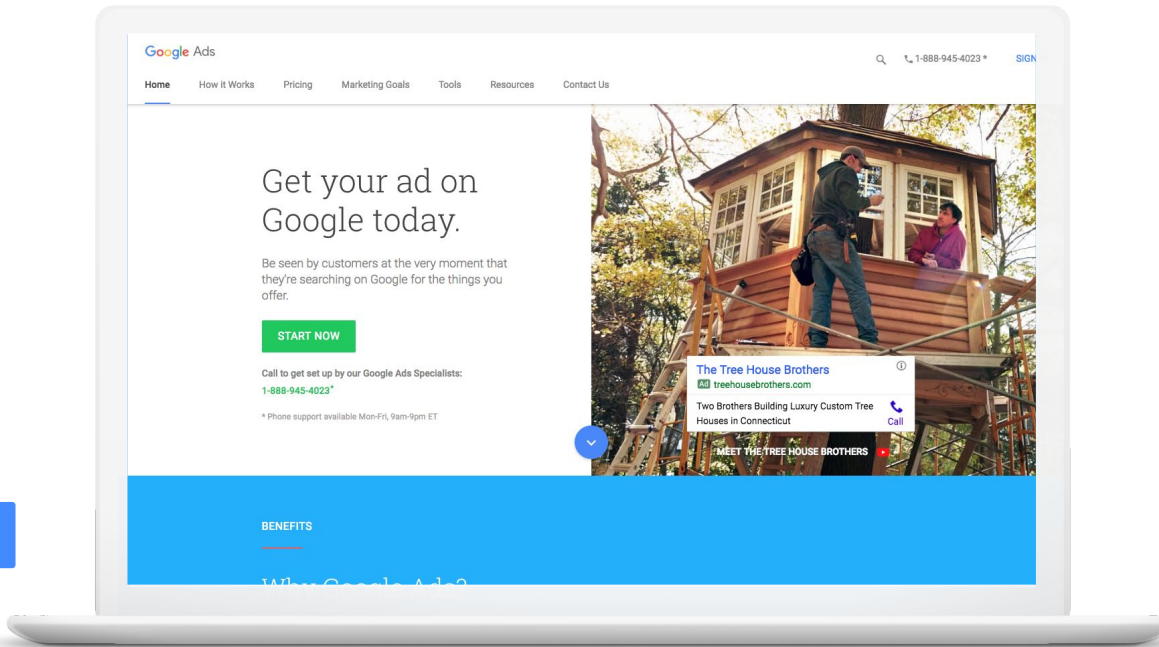

Ad on mobile sites

# Search engine marketing tips

1. Define goals in advance.
2. Create compelling ads.
3. Control where ads are displayed.
4. Pay for clicks or phone calls.
5. Track performance and improve.
